

Ways to Increase COVID-19 Vaccination

Summer 2021

- **Request a free COVID-19 mobile clinic**

Free mobile on-site clinics and vaccination services are available for employers, schools, community and faith-based organizations, and other groups. You just need to provide the space.

- **Find a clinic**

Visit VaxFinder.mass.gov to locate one of 900 vaccination sites across the Commonwealth.

- **Get vaccinated at home**

Call the In-Home Vaccination Line at 833-983-0485 to schedule a free in-home vaccination.

- **Invite an expert to answer questions at a meeting**

Email VaccineEquityInitiative@mass.gov for help connecting to a clinical expert (e.g. infectious disease, allergist and/or maternal health physician) or complete this form to invite a DPH vaccine ambassador (public health professionals experienced in community settings).

- **Share education and awareness materials**

Use videos, flyers, and graphics, available in 10 languages, to help build trust in vaccine safety and efficacy.

- **Get assistance with transportation and more**

Services and assistance are available including transportation to and from appointments, translation services, mobility assistance, and more. Email VaccineEquityInitiative@mass.gov for more information.

- **Ask about paid sick leave to get vaccinated**

Small- and medium-sized businesses that offer their employees paid sick and family leave to get vaccinated can apply for federal tax credits through most of 2021. Ask whether paid leave is offered by your employer.

- **Receive federal tax credit for offering employees paid sick and family leave**

Small- and medium-sized businesses that offer their employees paid sick and family leave to get vaccinated can apply for federal tax credits through most of 2021. Learn more at treasury.gov or whitehouse.gov.

- **Promote the VaxMillions Giveaway**

People who are fully vaccinated can register for the VaxMillions Giveaway for a chance to win \$1 million or a college scholarship.
